DOROTHY SKINNER WARD

The pros and cons of Horsewhipping Women By S. Legree

COVER PAGE

DOROTHY SKINNER WARD, our cover girl, is a native of Morristown, New Jersey, and a graduate of elementary, and High schools of that city. She later went on to Morristown Junior college.

Early in her career, she gave evidence of a great interest, as well as love for people. No better opportunity could have come her way for development of these commendable traits than with her marriage to the Rev. Dr. Morris M. Ward, the former presiding Elder of the Newark District AME church, and now the pastor of Mt. Pisgah AME Church in Jersey City. She immediately recognized the potentialities of the Ward Cosmetic Products, originated by her husband and working closely with him launched the new look in Ward Products, giving it the name--"SEPIA CULTURE."

Believing careers can only grow with training, Dorothy studied under the renowned Eno La Paul of Paris and New York, who is hailed as one of the greatest artists in the make up artistry and cosmetic fields.

In Memoriam

MRS EUNICE HAIRSTON WOLFE a native of Winston Salem, North Carolina, daughter of W. P. and the late Keziah Staples Hairston of that city, and wife of Charles C. Wolfe of White Plains, N. Y., where with her husband she made her home for a number of years, prior to her demise.

ON NOVEMBER 29, 1955 returning home via car from Detroit, Michigan, where in attendance at the stellar fashion revue and cosmetic display of Carmen Murphy, she had appeared as the Eastern Model and National Make-up-artist, suddenly the car met with an accident, and Eunice breathed out her life.

Jerseyites will recall her with affection, as beloved friend of Miss Blanche M. Morse of Elizabeth, N. J., and that Eunice's home was the setting for many a gay as well as lavish party for both New Yorkers and Jerseyans.

She was founder, and organizer of Brooks Memorial Volunteers of the Westchester County during WW II, President for 25 years of the famous Parmi Nous Club of New York. Her husband, her father, her six sisters, two brothers, and a host of friends grieve at her passing.

-----ooo-----
MRS SARA SANDERSON COLLINS at the age of 95, lacking five years ere she reached the century mark passed on to join her beloved husband, the late Rev. Collins, leaving to mourn her going her beloved children, Henry C. Collins, and Elizabeth C. Houston, and several grandchildren, of Newark, N. J.

A native of California, the late Sara Collins came to New Jersey in her early 20's, and in Newark she made her home, her friends and a rich life. It was in Saint James A. M. E. Church, where her late husband had pastored years ago, that friends over the decades most of them pioneer citizens of Newark, came to pay their last respects, and amidst their tears hear the fitting eulogy by Pastor Rev. Eustace L. Blake

-----ooo-----
MRS EDNA HILTON HENRY has left husband, two daughters, and a brother, Girard Hilton of Montclair N. J., and a sister Carolyn Hilton of Washington, D. C. together with a throng of friends to grieve at her departure. On October 19th, 1955 she quit these mundane shores after illness at Staten Island Hospital.

A native of New Jersey, with her happy childhood spent in Bloomfield, and Montclair environs, she was the daughter of the late Mr. Edward and Mrs. Elwysa Hilton. For 29 years she taught in the school system on Staten Island, where she made her home with her husband.

God called her home it was His will. But in our hearts we love her still. So loving, and oh so kind in all her ways, Upright and so just to the end of her days. Sincere and true in her heart and mind. All the beautiful memories she has left behind."

MISS LENORA CHAVIOUS brings "ORCHIDS FROM LENNIE" to our 2nd issue of "Club World."

She is no neophyte in the ranks of the Fourth Estate, having commenced her journalistic career with the old Guardian, and then went onto the N. J. Record. Her ability as one of the State's excellent columnists won for her a position on both the Afro-American and the Pittsburgh Courier. She gained noteworthy praise for her accuracy and ability to write with a verve and a witty insouciance the social activities of Jerseyite s, and Manhattanites.

With the advent of "Club World" Lennie could no longer resist the call of her 'first love' --so on the road to a Happy New Year--she is "back in the saddle again", sending "Orchids from Lennie" to her ever-loving public, who welcome her return with open arms.

BERNARD MOORE, a recent addition to our advertising, as well as writing staff, is a student at New York University. At present he is following a double major of advertising and journalism.

Son of Mr. & Mrs. Fred Moore, Bernard is a native Newarker, and shows promise of going far in the profession which lies close to his heart.

In the wee small hours of the night which seemingly is the only spare time allotted him, he follows the call of the Muse (Thalia) and dashes off some bits of amazing rhyme.

Looking through our crystal ball the New Year forecasts that in all probability Bernard will prove to be an asset to Club World.

YOUTH ACTIVITIES

THE LEAGUERS (Formerly the Jr. Leaguers), the "brain child" of the indefatigable Mary Burch, was conceived October 1949, as a civic, social and educational organization, dedicated to stimulating in youth continued interest in formal education providing scholarships and financial assistance to needy students of high scholastic ratings, as well as average students with high potentials.

Further dedicated to the purpose of encouraging development of high moral character, and all the better ideals in life.

The formulation of this group was like the lighting of a bon-fire, since it spread like a blazing flame throughout the Northern part of New Jersey, the 10 neighborhood boys and girls, growing to approximately 500.

Hailed as a group which set the pace for inspirational social activities, the Leaguers captivated New Jersey and surrounding States, with the presentation of The Leaguers Collition. Schlarsch

Scholarships have gone to many students, totalling 65 in the past four years; the first non-member scholarship awardee graduated from Rutgers University June 1955. The services to the community have been too many to chronicle in this brief space. Suffice it to say THE LEAGUERS ARE ON THE MARCH, SERVING YOUTH, GOD AND HUMANITY. During the month of November they journeyed to the Montclair Old Folks Home, and as they did in 1954, presented hundred of canned goods to the inmates--this they did in the name of the Editor of CLUB WORLD, and will continue as long as THE LEAGUERS are alive and the Old Folks Home exists.

Officers are Kenneth Jackson, the President, Roger Mitchell, Vice Pres. and Gwendolyn Armstrong, secy. Also Marjorie Muse, Treas., June Thomas, Exec. Secy., Betty Stancel, financial secy., all of the Undergrad group.

Of the Graduate group, Lenzo Jenkins, Pres., Kay Thompson, Vice Pres and Virginia Henderson, secy. Also Ethlet Bartlett, cor. secy., Norman Hopkins, Treas., Betty Curvin, financial secy., Catherine Ledford, Executive secy.

PERSONALITIES

SABRINA MICHELLE YANCEY just reached the bright new age of one year, easily takes the spotlight in the "small fry" department of personalities.

The importance of this occasion was celebrated November 20, 1955 when her grandmother, Mrs Ruth Kearny of Barclay Street, Newark, N. J. felicitated the baby's natal day with a party. So many lovely mothers brought the "apples of their eye" and joined Miss Sabrina on her happy day. All sorts of lavish presents with which she was gifted made her "princess for a day" while the playing of games best loved by tiny tots, and the very enticing buffet, created for all the little guests Sabrina's "most loyal subjects."

FRED C. ANDERSON, popular member of the LaVogue Beauty Center staff, was an active participant in the successful program held recently by the Modern Beauticians Association in their cash contribution to the NAACP Freedom Fund. This organization of which he is a part has been in the vanguard work on behalf of worthy causes.

EDWARD HOWARDS for several years has conducted successfully CLUB HAROLD, INC., where many of the civic, social, and fraternal groups throughout North Jersey have staged lucrative as well as entertaining affairs.

Mr. Howards attributes his success in the field of providing facilities, and the benefits derived by all groups, to the fact he has always been a firm believer in aiding all good charitable causes, and to that end he offers money making possibilities to the groups--such as the check room and the bar

"WISDOM IS THE PRINCIPAL THING, THEREFORE GET WISDOM, AND WITH ALL THY GETTING, GET UNDERSTANDING." PROVERBS 4:5

DAVID SNEAD, recipient of the former Jr. Leaguer (now The Leaguers) scholarship, and selected as the Leaguer of the Year 1955 has in a brilliant term of 4 years completed his pre-med at Seton Hall University, and is now enrolled in his first year of medical training at the same University.

He is one of eight children of Mrs. Hattie Snead, 212 Morris Avenue, Newark, N. J. Since he aspires to the medical profession, he has had and is still receiving the encouragement of Dr. and Mrs. "Hutch" Inge who have recognized his worthwhile qualities and do much towards furthering his hunger for knowledge in the field of medicine.

THOMAS E. MOURING, JR., of 19 Beacon St., Newark, N. J. although a happily married man to the former and quite attractive Marjorie Alders of Newark, he continues his studies as a senior at Howard University College of Dentistry. At time of graduation he will reach the rank of 1st Lieut.

He too is a South Side High grad, and was a member of the HONOR SOCIETY. He is the nephew of the popular Thomas ("Buster") Mouring of W. Alpine Street, Newark, N. J.

VERNICE BROWN of 73 Peshine Avenue, Newark, will be presented her sheepskin from New York University in January 1956. Vernice plans to go into Advertising as her career.

Sons of Dr. & Mrs. J. Hurlong Scott are busily engaged in separate colleges, working towards the goal of entering the professions of medicine, and dentistry: JOSEPH HURLONG JR., in his senior year pre-dental at Lincoln University, majoring in chemistry. CORNELIUS C. SCOTT is in his sophomore year pre-medical course at Lafayette University, Easton, Pa. Recently he did an excellent job in the school play "Outward Bound", in which he played a lead role.

HOME FROM their numerous Alma Maters for the Holiday Season, to take part in the Yuletide festivities were many bright-eyed lads and lassies. The pealing of the New Year bells saw most preparing to make the pilgrimage back to their Halls of Ivy:

THEODORE ("Teddy") C. Pinckney son of Mr & Mrs Cleveland Pinckney of 21 Somerset St., Newark, N. J., a South Side High School grad, has for the past few years pursued a Liberal Arts course, majoring in physics, mathematics and chemistry at Howard University, Washington, D. C.

Her beauty and charming personality brought her the coveted title of "Sweetheart" of Kappa Alpha Psi Fraternity. Pledged to Alpha Kappa Alpha Sorority, she is a member of the Ivy Leaf Club.

IRMA C. WRIGHT, 20 Irving Street, East Orange, N. J., also a Junior in Liberal Arts at Howard University, majoring in sociology. PERSONALITIES - FRATERNITIES - SORORITIES

ESTHER H. COOKE, of Jersey City, N. J., school teacher for approximately 15 years, having taught in Georgia, Florida, New Jersey, and now in New York City, where she instructs a class of 33 children, composed of Irish, Jewish, one each, and the balance Puerto Ricans and Negroes in P. S. #31, Manhattan.

Rated as a key person in the science of human relations, she is most ably coping with the changing scene in a school, which only a very few recent years ago was predominantly Jewish.

She is a member of PHI DELTA SIGMA THETA SORORITY, the Alpha Chapter. By the warmth of her personality Esther Cooke is rated as one of the Sorority's most engaging sorors. The "milk of human kindness" so permeates her being, until it was readily discernible when she in attendance this past summer at the "HUMAN RELATIONS WORKSHOP" held at the University of Michigan, was elected "MISS WORKSHOP OF 1955" This signal designation came to her out of the 60 representatives, composed of 18 Negroes, and the balance Brazilians, Canadians, Africans and Caucasians.

In keeping with her love for humanity she is actively engaged in other prominent pursuits, being an active member of the Protestant Teachers Association, the Jersey City NAACP Executive Board, The Teachers Kindergarten Association, and the Lafayette Presbyterian Church of Jersey City.

-----000-----

ELLA B. RAINEY, the comely Basileus of Alpha Kappa Alpha, Beta Alpha Omega Chapter, which embraces North Jersey, goes into her second year as head of the Chapter. This year it falls her task to corral the forces of Beta Alpha Omega, towards hostessing the forthcoming Eastern Regional Conference of Alpha Kappa Alpha, which is to convene in the city of Newark, N. J. April 27th through 29th, 1956. She voices gratification at the splendid rallying of the sorors.

She is a native of Wilberforce, Ohio, and a graduate of Wilberforce University, as well as a product of Ohio State College. Since coming to Newark, approximately twelve years ago, and connecting herself with Beta Alpha Omega Chapter, during the nine years as a soror of that chapter she has held a responsible official position, having risen up through the ranks to position of Basileus.

Her husband, George Rainey, a most efficient choral director also is proud of the accomplishments of his wife, who although mother of their two children, a boy of eight, and a girl of nine, Ella combines well her career with that of housewife, being employed at the Newark Air Reserve. Prior to that she taught in the Newark public school system. On Sundays one finds her accompanying her husband George to the St. Marks A. M. E. Church, Cranford, New Jersey, where he directs the choir, and she lends well her voice to the hosannas to God, as a part of the choir.

As Basileus of Beta Chapter, Mrs. Rainey advises that the Sorors in all parts of the eastern region join with her in extending to the public a cordial welcome to their "OPEN MEETING" during Regional Conference at Newark State Teachers College, at which time, as during the entire Conference, the theme "MAKING IDEALS A REALITY" which was the original theme at the AKA Boule in California, will be particularly played up and emphasized.

-----000-----

JERRY L. MARTIN, Vice President of Alpha Alpha Lambda Chapter, Alpha Phi Alpha Fraternity, Inc., of Newark, N. J., is one of the very few registered Rehabilitation Therapists in the field of Medical Rehabilitation. He is Chief of his division at the Veterans Administration Hospital, Lyons, N. J., and at an Honor Award ceremony on December 14, 1955, was presented with a ten (10) year service pin.

He was elected recently as the delegate from Alpha Alpha Lambda Chapter to the 41st National Convention of Alpha Phi Alpha Fraternity, held in Chicago, Illinois from December 27th through 30th, 1955. The theme of the Convention--"Desegregation the Mode--Total Integration the Goal". After representing the Fraternity in Chicago, Mr. Martin returned home (Newark, N. J.) to further assist the local Chapter in planning for the forthcoming Eastern Regional Round-up of Alpha Phi Alpha Fraternity which will be held in Newark from April 26th through 29th, 1956, at the same time the AKA Sorority will be convening for its Regional Conference.

EDITORIAL

A HEALTHY TREND

With varying degrees of rapidity, the realization has come to the readers of our natal issue, the laudable and constructive aims of practically all of the organizations listed in our directory.

Included in their over-all plans are Baby Sitting, by the wonderful members of one of our Organizations, Christmas parties for the benefit of the needy, visiting disabled veterans, and the indigent, aid to the Home for the Aged, contributing to camp funds, and awarding of scholarships.

To us this is symbolic of growth, progress and the squaring up to our civic and spiritual responsibilities. Individual benevolent philanthropists, the Rosenwalds, the Platts, and the Spellmans, have passed on, and their good deeds are eternally enshrined in our hearts. Marching on, and forever upward to continue and perpetuate their Christian aims are the individuals and the groups of this era. Truly this is a healthy trend.

OUR PUBLIC SERVANTS

POSTAL EMPLOYEES

"NEITHER RAIN, NOR SLEET, NOR SNOW STAY THESE COURIERS FROM THEIR APPOINTED ROUNDS"... is engraved in granite on the facade of the General Post Office Building in New York City. This is no platitude, for truer words were never spoken.

As we go to Press, the Post Office Department has just finished its monumental task of affecting the delivery of millions of "billet doux" of all kinds. This has necessitated the tremendous expending of effort "way and above the call of duty" by postal employees on all levels.

A picture of postal operations would require too much space for our meager publication. Suffice it to say that the layman has a very poor picture of the over-all service and the behind the scene picture that results in his receiving his mail in the shortest possible time.

Mr. Layman steps up to a window to purchase stamps, or send a parcel or avail himself of other window service. True, he drops letters in the mail box nearest his home or place of business, with never a thought of the chain of service events, and the myriad detail workings that bring his letter to its destination.

First, his letter is picked up, and brought into the dispatch section where it is sorted to various city and State cases, R.P.O. and H.P.O. lines. Rail and Mobile carriers then convey mail to the thousands of Post Offices all over the country and world. On reaching its destinations, other steps are taken, the sorting of mail to the local city routes, from when the Postman who plays such an important part in everyone's life, completes this vital life-line of communications.

A few postal notes taken at random. THE MONTCLAIR BRANCH of the National Alliance of Postal Employees held its annual Christmas party January 7th. Among the guests were High A. Jacobs, out-going Regional President, Eenormel Clark, newly elected President of the 8th District.

ALTHOUGH THE FLAG DID NOT FLY at half mast when John E. Porter, Sr., clerk of the Newark Post Office retired recently, there was that feeling among the large personnel. Aside from being one of the most popular and respected postal employees in his city, Mr. Porter is held in the same esteem by the general public. A native of Columbus, Ga., he served in the postal service there before transferring to the Newark office where he rounded out forty years of service.

This column pays tribute to Mr. Porter, not alone for his fine postal employment record, but also for his many contributions to civic, church and fraternal groups. He has played a strong part in the growth of the Newark Branch NAACP, he is on the Trustee Board of St. John AME church, and Grand Lecturer of the Knights of Pythias.

ART

AL HENDERSON PHOTOGRAPHER OF PORTRAITS

New Jersey has reason to be proud of her sepia BACHRACH. The portrait of our first "cover girl" is an example of his artistry.

Before entering the field of photography Al was one of New Jersey's leading musicians. Perhaps this accentuates the unusual degree of sensitivity responsible for Al's inner-depth projections of his subject matter.

CHURCH OF EPIPHANY CELEBRATES 50TH ANNIVERSARY

IN BETHANY BAPTIST CHURCH Newark, N. J., November 27th, 1955 what they said, and did there, will long be remembered by friends at the WOMAN'S LEAGUE Anniversary celebration.

Pastor Rev. William P. Hayes, and assistant Rev. Samuel Carpenter graciously relinquished the pulpit for the entire day.

MRS. RUTH MORRIS GRAHAM, as morning hour speaker was introduced by Mrs. Helen Ricks Saparo, in a timely and appropriate speech.

Mrs. Graham is daughter of the renowned and late pulpiteer, Rev. S. S. Morris. She spoke from the subject "Woman's Place in a Changing World." It was a message full of inspiration. Other A. M. participants were Mesdames Margaret Moore, Mamie J. Walton, Lillian Lawrence, Edith Brent, and a most eloquent prayer by Mrs. Lois R. Jones.

Miss Gloria Foster stirred a responsive chord with her rendition "The Lord Is My Light and My Salvation." An All-Female Choir furnished additional music.

DR. MARGARET J. BUTCHER, of Washington, D. C., was afternoon speaker, introduced by Miss Helen Dawkins, Howard alumnus, and VA Social Worker. Mrs. Lillian Stokes welcomed the guests, and response was made by Mrs. Rosa Mond S. Marrow.

GREATER PHILLIPS METROPOLITAN C. M. E. Church, on Beacon Street in Newark, N. J., Rev. U. L. Pilgrim, pastor, has a number of women, who in a quiet, but a very effective manner, are doing a good job for God and Humanity.

Sunday, November 7, 1955, Group #2, captained by MRS. ANNIE T. CARRIELL, sponsored an interesting as well as Fashionable Tea. Music was furnished by the Gospel Chorus of Union A. M. E. Church, Sussex Ave. Newark, N. J., directed by Professor Babor and at the piano Mrs. Theresa Cavaness, consisting of many inspiring selections. Mrs. Estella Gibson of New York, delivered a most appropriate recitation, and Mr. Samuel A. Haynes, Editor N. J. Afro-American, in a most "down-to-earth" and practical address, drew rounds of applause.

At the conclusion, Mrs. Carriell presenting a charming picture in a pale pink brocaded satin frock, and matching accessories (giving evidence that women dedicated to religious service, need not be dowdy and drab), graciously thanked audience and participants. She also presented her efficient workers, who were Mrs. Roberta Beckom, Mrs. Leslie Brown, Mrs. Elizabeth Morris and Mrs. Willie Carroll, also Mrs. Ethel Wyche.

TRIPLE "P" CHRISTIAN MOVEMENT, and its 7th Annual Autumn Charity Tea, for financing Christmas cheer baskets to needy families was held at Jones St. Branch YWCA, Newark, N. J., and drew a score of members and well wishers.

MRS. JULIA TYESI, with her radiant personality, as President and the Organizer, presided, presenting an array of talent, featuring both older members as well as younger. Among the children participating in an excellent manner were Loretta Miller, Dorothy Miller and Krista Mungin.

Older members participating on program were Miss Barabara Jones, and Mrs. K. Holloman. Also Professor Dean and the Twin City Singers, also Mrs. Algine Ray of the Modern Beauticians, Miss Elaine Holloma, Mrs. Audrey Holloman and Mr. V. Terrence.

Programs of Triple "P" usually present some educational feature and at this time Dr. E. W. Verne Educational Program Director of the Essex County Cancer Society presented a most valuable and instructive film on cancer.

THE CHURCH OF EPIPHANY in conjunction with celebration of its 50th Anniversary presented a rare treat to friends and well wishers on Sunday, December 11, 1955, when before a capacity audience at East Orange High School, Miss Gloria Foster, lyric soprano, and Miss S. Harriette Davison, violinist, were presented in "CHARM HOUR."

It was truly an hour of charm as these talented young women charmed and captivated their listeners.

Cause for celebration of 50 years was certainly meet and fitting when the story of the birth and growth of Epiphany is unfolded: It was in 1906 that the church became known as the Epiphany Mission of Grace Church in Orange, having first started as a Sunday school for Colored children November 26, 1905 with Miss Ruth Marsh of East Orange, teacher and founder.

December 17, 1907 George M. Plaskett, student at General Theological Seminary, New York City received invitation to take charge of the Sunday School which had grown to 33 children and approximately one dozen adults. In 1910 purchase of a lot at the corner of So. Center & Pierson Streets, Orange, and erection of its present home was accomplished.

With continued growth, the Mission advised Grace Parish that they would relinquish its small subsidy, and be responsible for its own financial upkeep. However, retaining its ecclesiastic connection with Grace Church until January 1930, at which time it incorporated as a Parish and was later admitted as such in the Diocese of Newark.

The Rev'd Dr. Plaskett, who through the years had served as pastor was then elected as Rector. He has not only done a magnificent job in nurturing the work of the Lord at The Church of Epiphany, but has worked hard at making the dream of integration a reality. It was early as 1913 that Father Plaskett, as he is lovingly called by friends as well as his parishioners, personally escorted his choir boys to the great church of St. John the Divine in New York City, and there they blended their voices with those of the choir lads of that in singing Psalms of Praise.

The ANNUAL REGIONAL CONFERENCE of Lambda Kappa Mu Sorority was held November 19th, 1955, with all sessions held in the beautiful and spacious Hotel Somerset, in Boston, Massachusetts, and with almost 100% registration of delegates and visitors to the conference, as guests at the hotel.

Following the preliminaries of opening, Soror Ida Wroten of the Baltimore, Md. chapter, serving as coordinator, briefed delegates on the Workshop to follow. Prior to the Workshop, a very informative and interesting movie on the activities of "Junior Achievement" created a provocative and stimulating discussion.

Workshops covered PUBLIC RELATIONS (a tool for organizational growth), with a great deal of discussion centered around "What are Your Internal Relationships, and what are your External Relationships". Workshop Number two covered "Let's Look at Ourselves", and Workshop Number three, "How to Finance a National Organization." Rededication Services conducted by Soror Eleanor Jones, National 1st Anti-Basileus, together with business sessions completed the afternoon.

This year, for the first time in sorority history, an evening session was held during Regional Conference, which took the form of a Banquet. Musical selections were by Mr. Jesse Chapman. The Sorority was fortunate in having as its guest and principal speaker, the brilliant Dr. Howard Thurman, the Dean of Chapel, Boston University who spoke from the subject, "The Meaning of Freedom." He held his listeners spellbound as he delved deeply into the various meanings of freedom, such as "Freedom of Innocence", Freedom of Exhaustion, "Freedom of Responsibility."

The Lambda Kappa Mu Award was presented to Mrs. Dollie Lowther Robinson, New York State Secretary of Labor, with Soror Edna Jones of Theta Chapter, Washington, D. C. making the citation and Grand Basileus Vivian Alleyne making the presentation.

YOUR SCALP HEALTH DANDRUFF INFECTIONS NOT ALWAYS THE SAME

- BY -

DONALD C. STOKES, D. S. T.
(Consultant in Hair & Scalp Diseases)

MANY PERSONS are wondering why Doctors and Trichologists cannot prepare a preventive treatment to curb the spread of infectious dandruff. One of the main difficulties is that there is a number of disorders which approach the scalp from a great variety of causes, such as different diseases of the oil glands, allergies in their many forms, also nervous tension, and the use of certain cosmetics. Worse yet, these dandruff infections are often changing in corresponding manner to the allergy development, or the condition of the nerves of their victims. In so many of these cases medications that worked well in previous treatments become useless. New and more effective drugs are being perfected through medical research, and put into use by Doctors, dermatologists and Trichologists to prevent the spread of infectious dandruff.

NEW REMEDIES AVAILABLE

Several remedies are available for various types of acute seborrhiac dandruff. However, it is never advisable to resort to use of formulas for scalp ailments without the advice and guidance of a Registered Trichologist or Physician, or Dermatologist.

Your Trichologist, Donald C. Stokes, will answer questions relating to the health and hygiene of the Hair and to the Scalp in this column, and by the mail. He will not make diagnosis nor suggest Formulas for individuals. Enclose a self-addressed envelope and address your question to:

COMPLEXION BEAUTY

- BY -

DOROTHY SKINNER WARD

Basically every woman possesses a degree of charm whether she be conscious or unconscious of it. Have you ever tried to develop a mental picture, through your creative mind of yourself, as how you would really like to appear?

It is essential to the personal acceptance of all women, especially to those engaged in public life to have a clear, sparkling complexion.

All women have an innermost desire to be charming, to be different, and to be remembered. Your personal charm, however, may never be completely expressed until you do something to improve the complexion (which will actually enhance the beauty of your color tone, your eyes, your hair and your smile.)

While reading this column, we are concerned with awakening your interest in KNOWING YOURSELF. It could be perhaps making a (Mirror test) or your-self right now, just the thing to do to start. Study your-self, and see if you can determine without the aid of an expert consultant, your complexion problem. Do you discover faded sallow color-tones? Are small facial lines beginning to show? If so, then you have a complexion problem. It is important, especially during the cold winter months to learn the value of winterizing your skin to protect it from chapping, peeling and tightening.

For the answer to your personal skin problem, write to us in the care of Club World, P. O. Box 461, East Orange, N. J.

REVIEWS:

"TEN NORTH FREDERICK" By John O'Hara - Random House - \$3.95

-----000-----

In literature, as in all fields it seems to me maturity of evaluation follows a chronological mental growth. At an early age I read "Appointment in Samaria", and "Butterfield 8", and about two years ago I read his "A Rage to Live." The effect of his first novels was profound, but certainly the full meaning did not penetrate the labyrinth of sober and deeper thinking that I hope came later from an exposure to many of the realistic problems of life.

The reading of "Ten North Frederick" brings to me a realization of the following factors: The prose style of O'Hara is a far cry from that of Somerset Maugham, and others of his ilk. That the writing of O'Hara is as clinical as the sharp scalpel of the operating surgeon.

For in his earlier book and even more in his latest book he has cut through the layers of veneer, and revealed his characters in their disturbing truer perspectives.

In "Ten North Frederick" the characters, husband and wife (Joe and Edith Chapin) and their children would seem to be living in the velvet of upper middle class Americans. Formidable background, wealth and position, etc. Yet neither member of the family is to know real happiness and in each there is a weakness that is not overcome.

Joe's desire for political power and Edith's desire for fulfillment of her sexual desires, and the problems of their children, and the unsuccessful resolving of their collective and individual enigmas brings the realization that material success alone is no antidote for happiness.

O'Hara is a craftsman, he has combined suspense, geographical locale of interest, economic and political patterns, and the scales of emotions of his characters range from the pianissimo to crescendo, all converging to a climax that brings no solution or offers little hope for a better and fuller life for his characters.

Let us hope that Mr O'Hara's message is to the effect that growth is not given to us, but rather it is an acquisition that comes with experience, much self-probing and an understanding of values that result in an inner happiness that cannot be replaced alone by--two cars--minks---two seats on the aisle and the related baubles that many think are synonymous to happiness.

OBSERVATIONS: That a climate of changing moods and emotions enter into the enjoyment and evaluation of films.

THAT HOLLYWOOD in 1955 emerged briefly from its cocoon of almost total escapist productions to an approach to realistic problems. Examples were "FROM HERE TO ETERNITY", "THE MAN WITH THE GOLDEN ARM" and "BLACKBOARD JUNGLE."

A few of the pictures of recent weeks, which we think merit your attention are: "MARTY", a poignant and tender love story of a bachelor in search of a wife, with an exceptionally admirable performance by Ernest Borgnine.

"THE ROSE TATTOO, with Anna Magnani, whose performance of a widow in love with a younger man borders on the superlative. Although the picture as a whole barely gets over the hump, the tempestuous Magnani is worth seeing.

"THE MAN WITH THE GOLDEN ARM", with Frank Sinatra, from the book by Nelson Algren. Although the ending has been changed a trifle "Polly-Ann-ishly", it loses little of its meaning. A painfully as well as powerfully sad story that empties the tear ducts unabashedly.

THE THEATRE

Effective diplomacy is often effected by other means than the diplomatic corp. Sports and The Theatre are other media that transcend national boundary lines. A good example of this is the successful tour of the "Porgy and Bess" company through the Soviet Republic. Wherever they went bundles of good-will cheer were distributed.

We have not had the time to review personally any plays, or musical comedies, since our first issue. However, some of the hit shows on Broadway are: "THE PAJAMA GAME", "TEAHOUSE OF THE AUGUST MOON", "FANNY", "DAMN YANKEE", "PLAIN AND FANCY", "CAT ON A HOT TIN ROOF", "A HATFUL OF RAIN" and "FOR THE PROSECUTION."

AL HENDERSON (CONT'D)

Dedicated to his profession he toils unceasingly for perfection. Indicative of this will be his attendance this summer at the Winona Illinois School of Photography at which school only the top artists in this field are selected.

Like many great artists, Al is never completely satisfied with his finished studies. Among the many outstanding portraits he has done, he believes that "those of Dr. William P. Hayes, the infant of Mr & Mrs Frank Tucker and Walter Kuhn" most nearly measure up to his standards of true artistry.

Recently, had my first view of a remote control dialing of T. V. programs. From a distance, the trigger of a small pistol is squeezed to tune in the desired channel.

TV viewers will have an opportunity to see many movies they may have missed over the years, as the greatest avalanche of celluloid is being prepared for presentation. Among the movies scheduled are "GUNGADIN", "CITIZEN KANE", "THE HUNCHBACK OF NOTRE DAME", "ABE LINCOLN IN ILLINOIS", "KITTY FOYLE", "STAGE DOOR", "HAVING A WONDERFUL TIME", some of the Fred Astaire-Ginger Rogers musicals. Also "THE PARADINE CASE", "NOTORIOUS", "THE FARMER'S DAUGHTER" and many shorts and cartoons.

Certainly, live shows are preferred, but there is such a dearth of contemporary material that producers are forced to tap other sources.

It seems to me that "YOU ARE THERE", Walter Cronkite, the commentator has suffered from change to film. However, Cronkite is still superb as the vocal traveller.

Another quizz program is on tap. This one has to do with answering questions about one's self. This follows the \$64,000. program which assures a large audience at least to start with Edgar Bergen and three of his dummies are interrogators. for football fans, as TV did an excellent job projecting the various bowl games. Ere long the spring training season starts, and some of the games will be televised. For the present TV sports fans are being treated to an excellent fare of inter-collegiate basketball games.

PENNY-LESS PETE

BY- BERNARD MOORE

Penny-less Pete of cadillac fame, Lives on guts, and strength of his name.

Intelligent chap with nerves of steel, Suave of dress, and fluent of spiel, Sitting at the bar with his one glass of beer--

Arrogantly posed as tho King Lear.

He actually couldn't buy a girl a drink, But he'll promise Diamonds, or Sables, or Mink, Then in a sweet, delightful undertone---

"We'll have a drink--if you have a loan."

If you give this, it's really too late, Give your soul to the devil, I know your fate.

Listen to me GIRLS, far and wide, Lest you fall prey to social suicide--

When you meet PETE of cadillac fame, Ask for his BANK-BOOK instead of his name.

MY CAT-O-NINE-TAILS, suhl Methinks I shall limber up my trusty right arm, when I think of the 60, or more feminine vices that try the patience of men to the limit.

To list a few: NAGGING. When I think everything is peaceful and just hunky-dory, with the suddenness of a typhoon comes--"Why do you put papers all over the house? Don't you ever think of a clean house--or when are you going to take the bottles back?" Ad infinitum.

CHANGEABLE MOODS: When my spirits are up on Mt. Olympus and I come home humming the latest pop tune of the 20's, and hoping my mood will be matched by mine fair damsel--what do I meet, but black smog of semi-moroseness and an iceberg throwing off splinters of diatribe.

PREVARICATIONS: It is not that most of the Goddess I tell untruths. Oh no!--they just like to exaggerate a little. The double talk, the quick parlor game type of conversation in which they mean the exact opposite of what they are saying.

POSSESSIVENESS: One cannot deny that women have a right to keep what they have, but why can't friend husband have any thoughts of his own? "You don't tell me a thing of what happens on the golf course--or you don't listen to a thing I tell you." These are the familiar verbal trade marks of My Lady Bountiful.

THE PROFESSOR, now mounts his soap box on behalf of the negative point of view:---THAT WOMEN SHOULD NOT BE HORSEWHIPPED. Who is it, that goes out to work every morning, and then comes home to prepare dinner? Who is it that makes all the best decisions (altho you may think they are your very own) Who is it that blends her mood to blend with yours? (altho you are not aware of it at the time.) Who is it that buttresses your faith in yourself when you need it most? Probably most important, who is it, who inflates Pop's ego by perpetuating the male libido. YEP! "Now Hear this!--It's THE LITTLE LADY, the better half of us.

METHINKS, after all tis better to smother our darlings with kisses and affection than to resort to the various baser physical recourses BETTER, "Lend me thine lips Baby, and I will give thee mine--Yes my love--Yes my precious."

SHUCKS BOY! I won't need my CAT-O-NINE-TAILS after all. Here take it, and send it to the Smithsonian Institute--where it can rest beside similar relics of the horse and buggy era.

REMINISCING

Very little action on the golf front these days. These are times when we review and relive some of the rounds we have played. No barbituates for us to fall asleep. We just play an imaginary round in near par figures, and presto, we fall asleep with the contented look of "Elsie" or a half moon smile of a Mona Lisa.

With nostalgia we remember the many pleasant rounds played with Dr. Harry Mickey, Milton Taylor, John Lincoln, Victor Lucarelli, Zip Marinello, George Free, Al Taylor, Harry Goode, and many others too numerous to mention at this time.

We regret that we haven't been able to play with Marvin Robinson yet, whom we hear is really good! Yes sir, pleasant memories stored are treasures to be counted later.

JAMES GILLESPIE SHERMAN, Most Worshipful Grand Master of The Prince Hall Masonic Order F. & A. M., of the State of New Jersey is one of the most modest dignitaries, this reporter has had the privilege of interviewing. The middle initial "G" could well stand for "Gibraltar", for Mr. Sherman gives the impression of being a veritable tower of strength. Indeed, a man who commands respect, and receives the confidence of very large segments in several walks of life.

A LIFE LONG native of northern New Jersey, and a product of the Newark school system, he attended Temple and Howard Universities. A postal employee for more than thirty years, Mr. Sherman at an early age became active in the Prince Hall Masonic Order, where his qualities for leadership, and unexcelled record of performance culminated in his election to his present post. A veteran of World War I, and Past Master of Bethany Lodge #81, he is also a trustee, and church clerk of Bethany Baptist Church, Newark, N. J. His youthful vigor belies his span of sixty two years. Diminutive Major possesses one of the best well rounded personalities of any one in public life today. The epitome of hospitality, diplomacy and genuine friendliness, he is one of the most beloved leaders in the fraternal groups.

PERHAPS the best known of his active and many contributions has been the promotion of the Annual Shriners Beauty Contest, which has always been staged with an intelligently constructive, visionary flair that has gained national fame for Major and his co-workers. Active since 1942, he has served brilliantly on all levels in the Prince Hall F. & A. M. Masonic Order. A composite of Ralph Bunche, Grover Whalen and Abe Burrows, Major is a cosmopolitan Bon-vivant, whose imprint on the social scene has long been felt, and whose contributions to worthy civic causes are legendary. With Fannie, his lovely wife, he has been a resident of Newark for many years.

SUAVE, DEBONAIR, and boyishly handsome WILLIAM P. MELVIN is the President of the New Jersey State Association I. B. P. O. E. of World, and a native of Jersey City where he resides with his vivacious wife, the former Virginia Clay of South Boston, Virginia. A veteran of World War II, he has been active in Elksdom since 1913. Affiliated with Pride of Jersey Lodge #22 of Jersey City, Bill served brilliantly in principal offices, after which he served on the Past Exalted Rulers Council #17 of New Jersey.

FOR THE LAST three years as State President he has spearheaded a movement to project more youthful members into Elksdom, which has culminated into several new Lodges coming into the State group. Also he is a member of King Solomon Lodge #19, F. & A. M., Prince Hall Order of Jersey City, N. J., and a trustee of Metropolitan A. M. E. Zion Church in Jersey City. Known as one of the best mixers in fraternal life, Bill's hobby is a keen interest in all sports.

-----00000-----

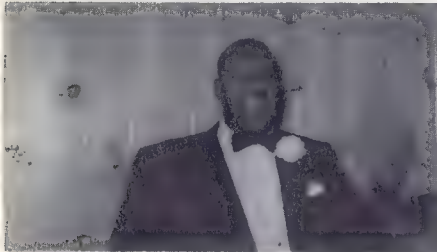

JAMES H. FULTZ, "Newark's Own Beloved Jimmie" as a Grand Trustee of the I. B. P. O. E. of The World, has reached a peak he so richly deserves. Indeed, he is one of the all-time greats of the fraternal movement. No national fraternal "Who's Who" would be complete without his colorful career included. For 30 years Mr. Fultz has been at many intervals both "mother and father" to New Jersey Elksdom. It was he, who almost from the very birth of the Elk child in this State, nursed it along, breathed new life into it, harbored it, reared it, and at times almost against unsurmountable obstacles, brought it to full adulthood, as one of the most powerful State groups in the country.

JIMMIE'S TALENTS, his contributions, not only to the fraternal movement, but to the community as well are too numerous to mention in this limited space. Suffice it to say For 17 years he served magnificently as State Exalted Ruler, and for 4 years as Grand Commissioner for the Bathing Beauty Contest program. That as far back as 1918, and in the ensuing period he was pioneering in the promotion of dances, as well as basketball games, together with Fashion Shows (giving deserving and promising young women opportunities). That he was responsible for an entirely new concept in the promotion of entertainment is unquestioned. Under his astute and brilliant sponsorship many affairs played to enthusiastic S. R. O. crowds.

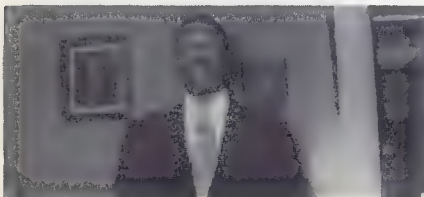

A CAPSULE COMMENT: Handsome, wise, able and sagacious, Jimmie's imprint is monumental, and will always remain lasting.

Perhaps no Fraternal leader is more active and lives every minute of his life to the very hilt, than Reverend B. F. Johnson, Most Worshipful Grand Master of King William A. M. & F. M. Masonic Order. Keen of eye, gifted with unusual visionary foresight and sharp wit, Rev Johnson is a veritable dynamo of energy. Rev. Johnson was born in Lynchburg, Virginia. He attended A&T and Benedict Colleges, Howard University and the Moody Bible Institute. Before assuming the pastorate of The Metropolitan Baptist Church in Newark, Rev. Johnson pastored the Mount Calvary Baptist Church in Goldsboro, North Carolina. A forensic speaker, Rev. MT CARMEL EIGHTEENTH ANNUAL STAG DINNER

CHARLES H. WESLEY

THE 18TH ANNUAL STAG DINNER sponsored by the Men's Club of Mount Carmel Presbyterian and The Board of Management of The Oakwood Ave. Y. M. C. A. held on November 18th, was an event long to be remembered. The Big Smoker has over the years been one of the high-lights for men in this State.

As usual very well attended by a representative group of men from all walks of life, the occasion was marked by a fine spirit of brotherhood. Dr. Charles H. Wesley, President of Central State College in Wilberforce, Ohio, headed the stellar array of guest speakers, leaders in their respective fields.

Dr. Wesley, brilliant, forensic orator, and great thinker, chose as his topic "Dynamic Living In The World Today." His message was projected with great force, clarity of thinking, and such masterful logic that there was none who was not lifted to lofty heights. Made clear to his large and appreciative audience was an evaluation of changing and challen-

ging objectives that opened new vistas of thinking.

Supporting Dr. Wesley on the speaker's dais were Dr. J. Vance McIver, master of ceremonies. The Rev. Louis H. Berry, invocation. Groups singing was led by James L. Raye, with Winston Melving, pianist. Remarks by Rev. Cornelius O. Berry, minister of Mt. Carmel Presbyterian Church. Mr. Clarence R. Mease, the General Secy. Y. M. C. A. of the Oranges and Maplewood. BETHANY LODGE SEVENTEENTH ANNUAL SMOKER

BY-BERNARD MOORE

PLAYING host to some 400 guests, the CRAFTSMEN'S CLUB of the Bethany Lodge #31 F. & A. M. presented its 17TH Annual Smoker Banquet, December 10, 1955 at Masonic Temple, Belmont Ave., Newark, N. J.

Don't let the title "Smoker" mislead you. It was a very dignified and educational affair. The program was headed by Dr. Alphonse Henningburg Director of Audio-Visual Service at the West Hempstead, Long Island schools. Dr. Henningburg, primarily a Sociologist, is a lecturer in the graduate program of Hunter College. He has a tremendous record as an educator, and has taught at Tuskegee Institute, North Carolina College, New York University and at Yeshiva University. Dr. Henningburg has also done extensive traveling and lecturing, and has a well proportioned knowledge of society.

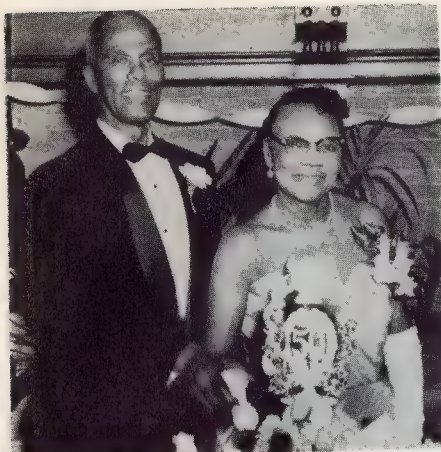

Dr. Henningburg took as his subject, "Citizens of 1956". His speech filled with knowledge, and clever anecdotes, brought out the relation of all social factors to the individual citizen. He discussed how rapid transportation has caused all the world to shrink. He said, "Not only is the world shrinking but the bomb dropped at Hiroshima is a sign of the shrinkage of man's mind. He described the age we live in, as being an "Age of Fear, and Tremendous Power." It was his opinion that this power should be used to help man instead of causing "Fear" in man. Concerning the Till case of Mississippi, he implied that is a standing proof that an "Age of Violence" has replaced the "Age of Intelligence."

He also discussed "Poor Economics" and the necessity for "Efficient Government." The poor economics of Xmas shopping was summarized

when he joked--"A bunch of people buying things they don't need, With money they don't have, to impress a lot of people they don't like. His opinion on Government was that it should be "Clean", "Demonstrative and Representative."

For the past three years, Bethany #31 has included women guests, who have enjoyed the Smoker equally well.

Seated at the guest table were Mr. W. James G. Sherman and wife, W. M. Clifton Early, Dr. & Mrs. Alphonse Henningburg, Rev. I. Robert Elzey, pastor of St. John A. M. E. Church, Mrs. Grace Malone, Fuld Neighborhood House President, M. W. Edward T. Bowser, R. W. Sowell, Bro. Geo. Cook. Other personalities in attendance were R. W. Robt. W. Gwaltney, R. W. William Shelton, and R. W. William Moss. An applicable expression "A good time was had by all."

MR and MRS ROBERT D. TROT of Orange, N. J., affectionately BoB and Effie to old friends, celebrated their 50th wedding anniversary on December 2, 1955.

Responding to the invitation were over three hundred persons, representing second, third and even the fourth generations of old line citizenry, throughout the State. All converged on the Trophy room in Roseville Avenue Armory, Newark, amidst a lavish setting feted and toasted the Trotts.

As befitted such a golden occasion from the mouths of lions adorning a huge silver fountain, artfully lighted, flowed pure unadulterated manhattans, while white coated waiters served the guests at tables set up in snowy white linen clothes, and napkins, chinaware and silver.

Effie dressed in an exquisitely cut gold gown, and Bob in full dress received the blessings of the Rev. J. Vance McIver. She is president of the famous Harriett Tubman Literary Club, and he as Captain in the U. S. Army holds distinguished awards for his service, as well as for his untold good as a morale builder among the boys of the old 372nd Infantry Regiment.

THEIR LOVE appearing as bright and gleaming as their silver wedding, MR & MRS LORENZA CLARK of East Orange, celebrated twenty five years of marital bliss on December 3, 1955 at Masonic Temple, Belmont Ave., Newark. They were married in Philadelphia, Pa. on that date (1930). Both are members of Prince Hall Masonic Order. He is a member of St. John Lodge F&AM, and she of St. John Chapter of the Eastern Stars.

ACTIVITIES

IN YEARS GONE BY, it was the schoolmaster, who dominated the little "red school-house", and very seldom did one find the familiar school-marm of today.

HOWEVER, taking a note from the pages of early school days, we find once again in our schools the male playing a prominent role. In the State of New Jersey, a number of young men are anxious to serve and are doing splendidly in the field.

J. HARRY SMITH, a native of the city of Newark, product of Garfield elementary, and Barringer High schools, does not carry an excellent but a highly specialized job at the South Market School, where he instructs the mentally retarded boys of 12 to 14 years of age in a full day's session, weekly, centered around pre-vocational studies.

At Seton Hall University Harry pursued studies in Education, graduating in 1948, then going on to obtain his Master's at the same University in 1951.

During his high school days, he excelled in Baseball and Basketball, being Captain of the Baseball Team in '41, and elected to All-City Baseball and Football teams, as well as voted most outstanding athlete of the year 1941.

Despite his strenuous and heavy school schedule he finds time to devote to his position as Exalted Ruler of Lt. John Perrin Lodge #1425, also chairman of the Civil Liberties League, District Nd7, Northern N. J. I. B. P. O. E. of W. also serving efficiently as President of the popular Platons, Inc. and to active membership in the Seton Hall Alumni Assn.

He served his country ably as a Captain and Pilot Navigator in WW II, and is Sgt-at-arms of the Republic War Vets, a member of the Catholic War Vets, and AMvets, a member of the St. Francis Holy Name Society, and a parishioner of St. Francis Catholic Church.

JAMES D. RICE, commenced his work, teaching in the School system of Newark at Charlton St., school 8th grade in 1947. Prior to that he had taught for 7 years in Salem, N. J., having come from Egg Harbor Township where he taught for 3 years.

He is a graduate of the Newark Normal School (now State Teachers), and obtained his Masters from the Montclair State Teachers College.

Although a native of Kings Mountain, N. C., he came to Montclair with his parents at the tender age of a few months, and by virtue of his growth and development in that area it is home to him. Aside from his Masters degree, he has further fitted himself for his task by having

completed all work above that degree equivalent to the 6 year level at the Rutgers University.

Mr. Rice is happily married to the former Carolyn Satterwhite of Montclair, N. J.; they now reside in Newark, N. J. where he intersperses his busy routine, when time in his schedule will permit to his hobbies--oil painting--breeding of tropical fish--and photography.

WILLIAM HAROLD COLLIER is son of Mr & Mrs Albert Collier, Sr. of 40 Wilsey Street, Newark, N. J. He taught one year in the Newark school system, and now for the past five years has been at the George Washington School, Elizabeth, N. J. where he instructs the trainable youths, which includes all types of handicapped children, brought about by enactment of the Beadleston Act in the State Assembly last year, which makes it mandatory that all children, regardless of their particular type of handicap must attend school.

A native of Newark, Harold is a graduate of Barringer High school and obtained his BA and MA degrees in psychology at Howard University and his MA in education at Seton Hall. Now, after a full and busy day, he pursues his Doctorate at N. Y. U.

Among the many activities to which he gives unstinted of his efforts are membership on the Executive Board Elizabeth Good Neighbor Council, Senior Councillor at Camp Merryheart for Handicapped children. Also member of the Salary Consultants to the National Education Assn. on Professional Improvement. He has also directed a teenagers canteen under sponsorship of the National Council of Jewish Women; he has been supervising teacher for Newark State Teachers College; and find time as co-editor of a magazine on Special Education, also to serve on the Speakers Bureau of the National Council of Christians and Jews.

Finally he is an active member of Bethany Baptist Church, and of Alpha Phi Alpha Fraternity.

DOLORES C. TILLERY, on the distaff side in the teaching profession, is a new-comer in the field. The daughter of Mrs Mamie Collins, she combines beauty with brains to the extent she has not only been hailed as one of North Jersey's prettiest young women, but one of its most talented.

A popular figure in religious, as well as social circles, Dolores has served as organist in some of North Jersey's most prominent churches, while her rise to stardom in the

IN MANY schools throughout the nation, one finds a PTA busily engaged in correlating the activities of students with parents, and teachers, anxious to bring fathers and mothers into the schools that they might become more familiar with various student activities; that they might know what their child is learning, and how much the knowledge he or she is acquiring will mean to them in the future. The PTA also gives parents an opportunity to voice their probable problems, their desires, and their concerns with regard to the training their children are receiving.

TOPRANKING are the Newark, N. J. PTA's, and chief among these is MONMOUTH STREET SCHOOL PTA, headed by the very gracious MRS. R. J. JENKINS of 683 High Street. Her pride in the work of her group is evidenced in the fact she points out that of the 700 students enrolled, the PTA has approximately 240 parents enrolled, a good percentage, when one notes the all too indifference of many of the parents in the activities of their children in the schools.

OTHER OFFICERS are Mrs. D. Collin Stokes, Vice Pres., Mr. Robt Seymour, school teacher, 2nd Vice Pres., Mrs William Rice, recording secretary, Mrs. A. Jordan, corresponding secy., Mrs. William Hayes Treasurer, and Dr. Edward Pfeffer, school principal.

A well planned program of interest to all commenced September '55 with "Get Acquainted Night" featuring Miss Gloria Gaskin, Public Relations Supervisor, N. J. Bell Telephone Co. in a program "Your Voice Is YOU" The 2nd Annual Card Party & Game night took place in October, and in November, Judge Harry W. Lindeman, Essex County Juvenile Courts, graced the meeting, speaking from the subject--"American Education."

This enlightening, and interesting program continues through to JUNE 2nd, 1956. (See CALENDAR OF EVENTS for listings of PTA meetings and activities).

ANOTHER PTA is the MILLER STREET SCHOOL, making itself felt in the community. Mrs William Brown, 1 Somerset Street, Newark serves as an efficient president.

A well organized PTA giving all its members an important role to play, by covering many phases of Committee set-ups for the proficient promulgation of the program.

Mrs. Natalie Matz heads Program and Mrs Abe Brotspies, Membership, Mrs Mina Sheik, Budget and Finance, while Mrs. L. P. Thomas chairs Ways & Means.

Other Committees are Hospitality headed by Mrs. R. Campbell, Publicity by Mrs Abe Brodsky, on

"Playing their way thro college" might be the theme, since the men in NAT PHIPPS'S BAND have done a take-off on the expression "Working your way thro College."

NAT PHIPPS has mustered together an aggregation of young, talented and ambitious musicians. Nat started his band early in life; the first group while just a Junior in High school. It turned out to be a phenomenal success. His strides in music were interrupted by two year stint in the Army, at which time he was a member of his Unit's band. Not more than two months after discharge Nat had another band under way. This one, if not "BIGGER" is definitely "BETTER".

Nat is enrolled in N.Y. University Music school to help insure his future, and maintaining straight A average in all music courses.

The rest of the band members are also constructing sturdy futures for themselves--Wayne Shorter is Nat's tenor sax and a Senior at NYU. Aside from being one of the finest instrumentalists in this are Wayne has a talent for composing and arranging.

William (Billy) Nat's brother is the baritone sax player, and loyal to the "cause" he too attends N. Y. U.

Robert (Knobby) Thomas a very fine percussionist, the drummer, and personality kid. He is scheduled to start at Manhattan College in the Spring. Catching the same boat will be Edward Lightsey, the bass player, and Grachon Moncur, who is the trombone player. To quote a modern cliché... "these boys are really cooking!!"

Other band members are Robert Mason, Edward Station, and Owen Frances, all trumpet players. In addition there are Jimmy Pinkney, tenor player and Harold Phipps, Conga and Bongo drum player. All of the latter are engaged in serious study.

Nat also is developing his own singer, Miss Yvonne Carol (Helen Curvin). Through other instructions coupled with Nat's knowledge of suitable arrangements, she is developing by leaps and bounds... she looks good too. They have had to turn down offers to tour Europe and Canada, because of their school work. If good starts mean anything THEY ARE WELL ON THE WAY.

R. A. FEACHER of Newark, who like the other Sunday morning neighbors was quietly napping, when suddenly he was startled into wakefulness by a woman's screams. Without a moment's hesitation, despite being clad only in shorts, he leaped out of his first story window, sprinted across the play lot, and rescued Mrs. Romelle Faison from possible death as she was being attacked by her huge Boxer dogs, whom she was giving a Sunday morning airing.

VIVACIOUS MISS JOHNNIE McCALL of 72 Walnut Street, Newark, N. CLUB ACTIVITIES

CLUB 15 and COBB

LITERALLY THOUSANDS attended CLUB 15 Xmas Dance on December 26, 1955 at the Terrace Ballroom. The place was actually saturated with pretty young ladies, and handsome young men. Arnett--"flying home" Cobb, was the man on the stan' home Co Cobb, was the man on the stan', and did the rhythm flow!!

Just slightly hampered by the tables stacked three deep on the dance floor, the holiday couples danced the place into a fever of gaiety. Just a few of the holiday celebrators were Fred Means, Naomi Jackson, Marie Henderson, Harvey Alston, Briss Lewis, Gertrude Hargett, Shirley Gamble, Norman Orphin, Dorothy Green, Shirley Bottom, Cooky Ford, Mitzi Alston, Dolly Banks. Also Frank Banks, Milton Miles, Richie Grey, Sarah Corley, Cooky Grimsley, Lee Curvin, Renee White, Len Pearson, Bud Strothers.

THE CRUSADERS and the NEWARK CHAPTER of the FRONTIERS, combined in bringing joy to boys and girls when some 250 enjoyed the bounty of these two men's groups composed of many of New Jersey's most forward thinking men. Aside from the goodies a program of music and dancing culminating in a dazzling show presented by Carlotta Kemp and her dance students. Mr. James F. King is the President of the Crusaders, and at the time of the party, Atty Bertram C. Bland, Frontiers President.

HAIL THE CONQUERORS

LOS CONQUISTADORES of South Orange, N. J. not only stay in the limelight, but in a glowing manner doing something worthwhile for others.

The New Year's Eve party held for friends as well as members was equally indicative of the nice things these boys are doing for everyone.

Among their latest projects are moving into a new club headquarters which will be their permanent residence until they realize their dream of building--so into 51 Church Street they went the 1st of 1956. In December as a sample of the Xmas spirit they started a teen-agers canteen at Redmond's Hall--which is still going strong every Friday eve. Xmas baskets of cheer and wheel-chairs to the hospital, another 1955 gesture of good-will. They are proud of their Pres. John C. Cosby who goes into his sixth year. He also manages the popular "Whipper-Wills" composed of High School girls and one High school boy--this group is taking the Gothamites by storm with harmonious music

CLUB METRO wound up the year of busy activities with a distribution of personal Christmas gifts to the inmates of the Montclair Old Folks Home on December 4th. With good-will gesture out of the way so early in the month, they went on to celebrate in the month, they then selected the 17th of December as date for a closed party for members at the palatial home of member Mrs. E. Phillips of High St., Montclair. This was truly a gala occasion, exchanging gifts and reminiscing over the happy weeks prior, and looking forward with keen anticipation to forthcoming Annual Card Party Feb. 4th at Oakwood Ave YWCA, Orange.

CLUB ACTIVITIES

MODELS MINGLE

The stylish, young models of the MICHELLE MODELLING group brightened up Saturday, December 17th with a Fashion Show and Dance. For those willing to brave the cold of the night, there was reward well worth the venture.

The Club Vanity's modern design and effective stress on mirrors brought the beauty parade within the reach of those seated in the farthest corners. The show was given as a "Salute to Miss Maxine Hines", a sweet young Miss, who definitely deserved saluting.

After the show, and to the cool easy arrangements of the George Jackson quartet, the modelling Misses proved to be very capable hostesses, and the spark of life never died.

Those who were part of the graceful pivoting and delightful promenade were: Instructor Zsa Zsa Michelle; The models, Miss Maxine Hines, Miss Iris Lee, Miss Kathy Davis, Miss Juanita McDougall, Miss Karen Newman, and Mrs Mae Spruel--a real Miss America Line-Up!

MEDICS HOLD ELECTION

During the month of December, the NORTH JERSEY MEDICAL SOCIETY held regular business meeting and election of officers.

The older medics who for years have been the guiding influence in setting the pace, and steering to success the projects of the Society not having grown weary of the job, but anxious to inject new blood into it's efforts, saw fit to draft for service a group of the younger men and women of the profession (they might have been remembering the very successful, as well as entertaining cruise up the Hudson last summer engineered by the youngsters in the group).

At any rate elected to office were some of North Jersey's most promising young medics--Dr. B. T. Crombie, President, Dr. Edward W. Verner, Vice Pres., Dr. Mathilda Davis, Secretary, and Dr. John L. Pinderhughes, Treasurer.

CAVALIER'S CAPERS

The knightly gentlemen of the "Social Cavaliers" presented their pre-Xmas dance at Club Harold on December 17th.

The courts of Europe have never been visited by a more noble group of Cavaliers. The people in attendance must have enjoyed themselves because they lingered until the very last note was played by the ART WILLIAMS Combo. There were also two vocalists present. So first the ladies had opportunity to swoon

to the riffs of BOBBY PORTER, then came the men's turn when the exotic Mrs Maryland Porter, Bobby presenting her as his lovely wife, exchanged the male segment of the audience--"Anything You Can Do I Can Do Better."

It seemed to be married folks night--there were: Mr & Mrs George Ashby, Mr. & Mrs Jimmy Stewart, Mr & Mrs Fred Jackson, Mr & Mrs Albert Jackson, Mr & Mrs Malcolm Roberts, Mrs Marian Stewart, Mrs William Hamilton.

Also Mr. Robert Biggs, Miss Melissa Dantzer, Miss Olive Kelly, also merry-making.

Members of Social Cavaliers are James Cavanaugh, President, Dan Ford, Vice President, Charles Knight, Secretary, Wilbur White Treasurer, Ben Leake, and Malcolm Roberts.

B&S AND METROS

Combined efforts certainly pay off, as the B&S (Brothers and Sisters) and the Metros (not to be confused with the group of lassies organized in 1946 of which personable Sally Mason is prexy), joined forces in making the welkins ring in a pre-Xmas dance at Masonic Center.

A comely bunch of brothers and sisters (B&S Social club) are Tom Mersier, President, Albert Mersier, Vice, Vince Mersier, Business Mgr., Viola Bell, secretary, Curtis Mersier, Financial Secy., Rose Frazier, Treasurer, Charley Mersier, Jany Murray, Walter Mersier, and Willie Mersier.

The Metros are John Turnage, President, William Johnson, Vice Pres., Anna Smith, Financial Secy., Malesse Williams, Rec. secretary, Page Hopper, Treas., Thomas Mersier, Business Mgr., Margaret Turnage, corresponding secretary, William Crews, sgt-at-arms, Mr & Mrs L. D. Robinson, Mr Pitts and Mrs Ida Hopper.

CHERES AMIES-XMAS IN N. Y.

The Cheres Amies, gave a new twist to their Xmas party, spending it in New York, as guests of members Arra P. Goode, and Sara H. Johnson, who were hostesses.

Mesdames Goode and Johnson including honorary member Mrs. Bertha Hill (Mrs. J. Otto), taking also the entire membership first to witness the ravishly exotic Katherine Dunham Show (which is captivating Broadway), then it was dinner at the swanky Susan Palmer Restaurant (West 49th St.)

Members enjoying the gay time were Blanche M. Morse, Martha a

Davis, Evelyn Crawford, Dorothy Elliott, Marie Harrison, Hattie Stith, Nan Davis and Mabel Page.

SCHOOL HOLIDAY SPIRIT

The Charlton Street School caught the holiday spirit, two-fold, when Miss Frances M. Gregory, Director of the Recreational activities, together with Saul B. Shapiro, threw a Xmas party drawing more than 150 youngsters and adults, with proceeds going to TAP (Teams against Polio.)

TAP is a project being sponsored by Newark Recreation under the Board of Education, wherein all schools in the city are participating, Charlton Street school, being one of the first to go forward with the movement.

Adding to the jollity of the occasion were the good things to eat, with the committee's undying gratitude going to Buddy Baker, proprietor of the fine barbecue shoppe at 100 Waverly Ave. Newark, who contributed as a Xmas gesture, all of the food (gallons upon gallons of delicious chow mein with all the extras). Games and dancing added to the festivities.

BREAKFAST ANYONE!!!

It was either early or late, depending on whether or not you were up all night, or arose from a sweet slumber to MAKE IT. The time was 6 A. M. -- The Place--THE ORANGE Y. M. C. A. The Occasion--A BREAKFAST DANCE. By whom--THE YOUNG ADULTS CO-ED CLUB. When--December 26, 1955. These are nothing, but the facts ma'am.

But there was much more to the story, and you would have had to have been there to really appreciate it.

Good food--good music--and a good time were the affective results of their efforts.

The dance was sparked to life by the hilarious capers of Linzey Scott, Norman Orphin and Bucky Nesbitt, and the dancing steps of Tommy White and sweet little Gwen Britt. Others who attended the dawn celebration were Frank Criss, Betty Curvin, Tommy Adams, Drake Hart, Sarah Corley and Lionel Hart. Also Sinclair Grey, Bob Dubree, Milton Miles, Richie Grey and Bill Thomas. Also Donald Payne, Dorothy Price and Thelma Grant. JoAnn Wiseman, Mary Randolph, Geneva Thurman, Jimmy McDuffy, Alberta White, Delatlee Howard, Dorothy Dungee.

Officers of the Club are the President Elois White, Vice Pres. Lucious Bullock, Secy. Jean Fletcher, Rec. sec. Rosalyn Brevard and Treas. Louise Williams.

CLUB BRIEFS

ALPHA PHI ALPHA FRATERNITY Delta Mu Lambda Chapter, another group of Alpha Brothers, who over the years have adhered to their aims and purposes, that of scholarships as well as cooperation with, and in the community interests. To the social elite this group has a very special place in the archives of their hearts, when they recall the sparkling Formalals at which time a bit of the old world charm, coupled with revival of the gay 90's era, is injected when guests are sent "bids" accompanied with black vellum bound programmes printed in gold, wherein each dance of the evening, from "Fox Trot" to "Mambo" (oh yes and the exquisite waltz) are recorded.

Dr. Ferdinand D. Williams is the President, Dr. Arthur C. Thornhill the Vice, Harry D. Banks, secretary, Albert Collier, chapter editor, John E. Moses, sgt-at-arms.

NINE O'HEARTS, a pinochle club composed of residents of swank Montclair, and its environs, manages to have a gay time every other Friday of the month.

Although organized for the purpose of getting together, and brushing up on their pinochle game, they also have a purpose in mind, and recognize their obligations to the community in that they stage a card party yearly with some part of the proceeds going to the Montclair Old Folks Home.

Also when Xmas rolls around, as they did this year, they trek to Home for the Aged and shower the inmates with good things from Santa.

Officers are Clarice Boone, President, Pauline Bynum, Vice Frances Martin, secy., and Mildred ("Midge") Johnson, treasurer.

PVT ALBERT HARVEY POST #2139 V. F. W. founded at the close of World War I, to perpetuate the memories of its departed members and to maintain interest in the welfare of families of its members. They sponsor an annual dance.

Commander of the Post is Rdbt. D. Trott; the Senior Vice Commander is James H. Lewis, and the Junior Vice Commander is Willie E. Grubbs. Judge Advocate is Samuel S. Stewart, the Adjutant is Wm. P. Mitchell, Asst. Adjutant is Raymond Morgan and Quartermaster James L. Lawson. Chaplain is Edward Andrews and the Trustees George Morrison, Nevel Jarreau and John B. Warren.

A posthumous presentation by the Department of the State of New Jersey was made to Harold F. Taylor of Newark, Past Commander of the Post. In the absence of Past Dept. Commander E. J. Brennan presenter of the medal, the presentation was made by Dept. Junior Vice Commander, Schouler.

THE 61 BOOSTERS SOCIAL CLUB was formed June 1, 1949 by the gay habitués of the 61 Club, located at that address on Monmouth Street in Newark, N. J. Because they enjoyed the hospitality of 61 Club, and in their appreciation felt that friends should share with them. Hence they have made special effort to play up the merits of 61 Club by many gay affairs at some of the swank halls downtown and uptown to which the general public is invited.

Genial mixologist at 61 Club, John Garrett is President of 61 Boosters Club, while Vice president is Mr C. Alexander, several personable ladies perform efficient jobs, in the persons of Rachel Jackson, secretary, Jennie McLeod, corresp. secy., Leila Williams, Treasurer, Charles Johnson is business manager.

Playing an equally important as well as active role are members Eugene Archer, H. Cotton, A. C. Johnson, Fred Neal, and Russell Simpson. Weekly meetings pep up activities, and prevent lagging in attendance.

-----000-----
SILK STOCKINGS (rare indeed) and likewise are the activities of these personable young married women, hailing from Linden, Jersey City, Westfield, Elizabeth, Roselle, Springfield, and Montclair, New Jersey.

Organized to play bridge, they set up activities March 12, 1955 and add to the pleasure by always including guests. Also cultivating as well as enhancing their cultural aspirations they attend theatres in a party, and again guests are included. A rare group indeed!

The year's activities culminated in a gala Xmas party at the home of Dr & Mrs Byrd, Westfield, New Jersey, and will long be remembered by their invited guests. Lucky invitees can look forward to sharing more of the same exciting and stimulating hospitality when the Silk Stockings invite guests to a Theatre Party scheduled for April, and a picnic in June.

Another rarity is the fact there are no officers, hence at each meeting the hostess appoints a member to "chair" the meeting. Members of Silk Stockings are Mesdames Frieda Thompson, Roberta Byrd, Juanita Lacey Bell, Yvonne Whaley, Matilda D. Cunningham, Pauline Lee, Jean Palmer, Emmalyn F. Tappan, Julia T. Pinderhughes, Jean Smith, Lee Ross, Rosalyn Smith and Millicent B. Jenkins.

Among outstanding members of the church, who will appear as Sunday morning speakers are Harold A. Lett, Theodore Pettigrew, Arthur Clements, Atty James Abrams, Asst. Corporation Attorney and others. Leonard Wright is the chairman. Rev. Louis H. Berry, rector of St. Philip's and the La ymen's Committee are also playing an important role in the success of the Bible Study hours.

THE FRONTIERS OF AMERICA, INC., Newark Chapter on January 19th, 1956 held installation of its newly elected officers, who were James Franklin King, President, Edward T. Bowser, Vice Pres., Herbert Tate, secretary, John M. Dabney, Treasurer, Joseph Kent, Financial secretary, and Trustees Samuel A. Haynes, Carl Andrews and Edward Bolden.

Highlighting the services were the Mayberry trio (sons of Dr. J. C. and Mrs. Mayberry), and guest speaker Southern tycoon A. G. Gaston, President of Smith & Gaston Enterprises from Birmingham, Alabama.

KAPPA SIGMA CHAPTER, DELTA SIGMA THETA SORORITY, the North Jersey Chapter set up back in early 1929 go about doing an excellent job of public service in a quiet and unassuming manner.

Two public features throughout a number of years have set this particular Sorority apart from others and by this sign ye shall know them", as it were--ANNUAL JABBERWOCK which for the past few years has given impetus to the development of the latent talents of many of the local embryonic thespians, playwrights, and other creative artists, as well as the proceeds from the affair spurring on some young person to further the career of their choice, through Delta Sigma Theta's scholarship. Last year the sum of more than \$350.00 went to two deserving young women.

Also their FOUNDERS DAY PROGRAM, which in keeping with educational aspirations of the members is usually the finest in cultural benefits to the attending public.

Approximately 45 active sorors and 23 undergrads keep Delta Sigma alive and before the public. Dorothy Herbert, Basileus; Dorothy Gould, 1st Anti Basileus, Mildred Lockett Cor. Grammateus, Gwen Griffen Rec. Grammateus, and Laura Frazier, Tamiochous.

THE DILLETANTES, lovers of the fine arts (music, poetry, painting) organized 20 years ago to learn of as well as become patrons of these arts, and over the years have accomplished their purpose. Ten years ago, realizing the change in pace in community endeavors, they shoved aside this desultory pastime, and became an integral part of the community in worthwhile and outstanding contributions.

When notice reached the public of Dilletantes retirement from the social arena, a feeling of desolation gripped the gay social set, aware that times would not be the same. However, Dilletantes do, and have for 10 years kept the memory of their exquisite affairs green, with a lavish annual formal where old friends meet and reminisce down memory lane. Thelma Wright is Pres., Hattie Skinner, Vice Pres., Mary Nesbitt, secy., Florence Skinner, cor. secy., Beatrice Slater, Treas. Members Ann Johnson, Criolla E. Smith, Hazel Wilson and Ersalyne Bland.

KAPPA ALPHA PSI FRATERN Newark Alumni Chapter, composed of Brothers who are grads from the country's most renowned college, and universities. Aside from devoted service to their Fraternity and community, scholarships are also their business to young men, who are worthy, and desirous of furthering their careers.

Dr. Robert M. Cunningham of Elizabeth is Polemarch, James H. Blair, Keeper of the Record, and Otis Hearn, Exchequer.

CHERE AMIES, organized 1938 by the fashionable Letta M. Brown now Labega, and residing in far away Aruba Netherlands, West Indies with her husband. Membership includes friends over the years. The original idea in organization was "strictly social", wherein friends were entertained at a SUPPER DANCE, Chere Amies, being the first club to present this type of scintillating entertainment to this area. Additional purpose, staging once a year a "sweet charity sake" benefit with entire proceeds going to some worthy cause. War years interrupted this lavish spread, and Chere Amies reverted to the usual type of entertainment, however adhering to their cause for charity--this year out of their own pockets the members donated \$100.00 to Newark Branch NAACP, since they were unable to present a benefit.

CLUB 15, was organized in February 1947, and boasts a history of a long line of successful, and gala entertainment events, which invariably draw record breaking attention from the public in attendance.

A civic and social group, it is a well-knit together organization of a group playing an important role in the community insofar as contributions to worthy causes. Monthly they meet with officers and the members to plan for the future good of their community.

Steven Stubbs is President, and a very helpful vice president is Geo. Pitts, while secretary is Benjamin McFarland.

-----000-----

UNION COUNTY SPORTSMEN CLUB, INC. organized July 1940, and still going strong! Young as a favorite haunting song, despite more than 15 years of organization, friends always patronize the affairs of the Union County Sportsmen, since they are certain of a gala time.

North Jersey social elite flocked to their Annual Cocktail party held December 18th, since it was considered one of the top performances of the season, which is always at the palatial home of the ARTHUR VANDEVERES in Roselle, N. J.

To worthy Union County charitable groups go the proceeds. President is Arthur Vandever, the Vice President is Major Young, secretary is G. Jordan, treasurer S. Stokes of New York. Other members of the group are H. Hurd, honorary member, J. Judkins, Jr., K. Marrow, L. Spurlock, Dr. M. Tappan, Chas. Williams and E. Young.

-----000-----

THE LIT MUSE CLUB, organized January 1935, enters its twenty-first year, with a 20th Anniversary Musical at Oakwood Ave. Y. W. C. A. in Orange, N. J., to celebrate.

THE PUBLIC can be proud of the

HOLDING FORTH as the officers are Caroline Williams, the President, Mary Bowers, Vice President, Wilhelmina O. Lewis, secretary, Gladys Smith, corresp. secretary, and Una Janifer, the treasurer.

-----000-----

HUSBANDS & WIVES ("H & W's") INC., as they are intimately known among their own charm circle. Being the type of women, who adore the company of their husbands, the men have their wives to thank for dreaming up the idea, where during each month, one night, they relax, and enjoy exclusively the company of their ever-loving wives.

A variety of activities make each month one long to remember, when the husbands revert to courting days and take the girl (wife) of his choice in company with the other husbands and wives to a movie--a Broadway play--a night club--or just a quiet evening at the home of the entertaining host-hostess. Also quiet as it is kept some of the husbands even present the wife with a corsage on that eve--just like when they were a-courting. All this helps to break the monotony of the house wife's daily routine, and certainly perks up hubby's social life.

LUCKY WIVES & HUBBIES are Mr & Mrs Joseph Kent (she's prexy), Mr & Mrs Donald C. Stokes (she's secretary) Mr & Mrs James Abrams (he's treasurer), Mr & Mrs. James F. King, Mr. & Mrs. Carlton Jackson, Mr & Mrs John M. Dabney, and Mr & Mrs Harry Van Dyke.

-----000-----

THE YOUNG MARRIED WOMEN'S CLUB of Union Baptist Church in Elizabeth, N. J., pastor Rev. A. A. Lewis, has over the years been a definite and integral part of their church. Bending their efforts in the maintenance of the church, they have long been recognized for two outstanding affairs which they sponsor each year in the church--An Annual Musical Tea--and an Annual Spring Show of Fashions.

Both affairs create quite a stir in secular as well as religious circles. An effort being made to make them as bright and gay, and inviting as any topflight social function.

Serving so well in the Lord's Vineyard are Anne Highsmith, President, Florence Mahand, the secretary,

and other officers, and members of Young Married Women's Club of Union Baptist, are Mrs Elizabeth Slaughter, treasurer, Mesdames Adele Thomas, Esther Williams, Mildred Thompson, Hattie Skinner, Kathleen Brown, Rachel Jackson, Florence Skinner, Mary Nesbitt, Nellie Jackson, Rose McCauley, Clara Wallace, Georgia Perrow, Mildred Fleming and Eunice Hawkins.

-----000-----

CHARM UNIT #29 was organized April 15, 1949, composed of a group of Beauticians, who desire not only to assist in the beautification of the women in and around North Jersey but to aid worthy charities.

As we go to Press, the present officers are Bertha Logan, president, Anna Davis, Vice, Eva Coleman, the secretary, Ethel McGhee, corresponding secretary, and Annie Brant the Treasurer.

Election of officers may find an entire new roster of officers, but it is certain there will be no change in the continuous of the excellent way in which the Charm Unit have performed in the past.

A gay New Year's Party, January 2nd, 1956 ushered in the new officer activity, and gave the members opportunity to relax ere commencing their new year of work.

-----000-----

TALENT, INC., organized during August 1955, is just what the name implies. Composed of a group that are creating a sensation in the Art world with their "Little Theatre" movement, these young women as well as young men are well on the road to be recognized.

IN ORDER that the new organizations included in our Directory in this issue, and also that our new readers might know our aims, objectives and plans, we are reprinting the editorial from our first issue.

Editorial

TRULY this is a marvelous age, in which we live--the discovery of radio, television, color-rama movies, the high powered automobiles and the faster than sound aeroplanes, are all indicative of rapid transitions.

THESE ARE among the contributory factors that have wrought many changes in the living habits and the customs of most of us today. A time was, when most activities of the average family centered around the living room, and the focal point of family activities was under one roof.

IT IS CLEARLY evident now---that a great social transition has been under way for sometime. Thus today our organizations: Social Clubs, Fraternities, Sororities, Civic Groups, Fraternal orders, Religious organizations, as well as Athletic groups are the hubs around which most of our extra-curricular activities revolve.

DEFINITELY, a specialized of communications is needed to adequately mirror the aims and plans and to project the messages of our many and varied organizations.

THUS CLUB WORLD is dedicated to the extensive coverage of news of organizations, and the activities of their members. In addition there will be interesting reading matters for non-organization members as well.

INDEED, this will be the first journalistic chronicle and clearing house serving all the many groups. Among our many features, will be a chronicled schedule of events that will assist organizations in planning their affairs. A Directory of Organizations will keep before the public eye the names, plans and aims of all the groups.

THERE WILL be articles on personalities in many walks of life, the school teachers, social service workers, public servants, ministers, fraternal leaders, civic leaders, etc. Feature articles also will include coverage of movies, television, the drama, sports, music, together with a variety of topics of pertinent interest.

WHO'S WHO

SALLY COOKE YOUNG, inveterate columnist for some 18 years for one of the weekly newspapers of northern New Jersey. Jerseyites have read "SALLY'S CHATTERINGS" for a number of years. Sally is generally credited with having made a most significant contribution to journalism, to having raised the level of news coverage, particularly on behalf of feminine activities to the very highest level. Early in September 1955 and later in November of last year she was the recipient of the WOMAN'S LEAGUE OF N. J. citation for outstanding work in the field of journalism, and the same type of citation from the OMEGA PSI PHI FRATERNITY of Paterson, N. J. during their celebration of Achievement Week.

A veteran civil service employee with the Veterans Administration, Sally has had as her extra-curricular activities the covering of about all the social events that have taken place in Northern New Jersey as well as along the eastern seaboard.

Not alone as a journalist has her star shone, but as an unselfish civic worker on behalf of many endeavors. During World War II with the Volunteer War Service Committee, directing a group of 20 girls, "Kept the entertainment rolling" to nearby camps, without interruption. Later she was active in CAFTA (Clubs Affiliated For Aid to the Aged) in the Montclair Old Folks Home. A graduate of the Newark public school system, she attended New Jersey Law College (Rutgers University)--lo these many semesters ago! She is a member of Epsilon Chapter--Lambda Kappa Mu Sorority (National Sorority of Business and Professional Women), and of the Newark Chapter National Council of Negro Women, Inc. She is married to...

SCOTT YOUNG, Winfield Scott to be exact, Publisher, Advertising and Business Manager of CLUB WORLD, as well as general factotum more or less. Scott is a native of Durham, North Carolina, since transplanted to Virginia and later burbanked to Montclair, N. J. His hiatus since has been Bloomfield, East Orange and since his annexation to Sally, has been a resident of Newark in that section which the sociologist would call an heterogeneous mass of humanity, namely the Central Ward. Scott attended the College of the City of New York from 1930 to 1933, when because of economic pressure, he left to found the "Book Lovers Circulating Library", a mobile lending library that served many of the communities of northern New Jersey.

WHO'S WHO

He sincerely believes, that should he ever be singled out for any honors or accolades, he would accept them only if they were accorded him for the service he rendered while working with books. It is a matter of record that more interest was created in reading through the efforts of Scott and Delaney Young and their co-workers than even the publishing of "Uncle Tom's Cabin."

A Postal clerk in the East Orange Post Office, he is a member of the Federation of Postal Employees, the National Alliance of Postal Employees, The Advisory Board of the Newark Boys Club, Morton Street Unit, and Neighborhood Commissioner of Boy Scouts at St. James A.M.E. church in Newark. His greatest weakness is... that at the bat of an eyelash he is off to the fairways and roughs of the nearest golf course.

ASSOCIATE PUBLISHER, WILLIAM T. RUFFIN, is from Clarksburg, West Virginia. A graduate of West Virginia State College, A. B., and an Omega man; he was Boys Director of the Neighborhood Center, and Executive Secretary of the Service Council of The Urban League in Morristown. Later he was Dean of Boys at Downingtown Industrial & Agricultural School. Employed by one of the Savings Banks in Newark, he is an expert in the multilith, and photo-off set processes of printing. He is married to the former Bernyce Robinson, music teacher in Newark school system, and accompanist to the Philharmonic Glee Club. Bill's hobby is H-O gauge model railroading.

LATE RELEASE

I enjoyed reading, and found the November issue of Club World very interesting and a well balanced magazine. The Warrior's Club wishes to thank the many clubs and their friends who helped make our social affairs during 1955 a success.

The Benefit Christmas Party was the closing affair of the year. A prize Christmas basket was awarded to Mrs Susy Foster of East Orange.

A donation was made to the Edith George Brown Memorial Home for the Aged, other donations to several worthy causes.

The Warrior's first dance of the year will be SATURDAY EVE. April 21st at the Masonic Temple, 188 Belmont Ave., Newark, N. J.

Yours truly
BRUCE WELLS, Secy.
